1840.

COMMONWEALTH OF MASSACHUSETTS.

In the Year of our Lord 1781.

AN ACT to incorporate certain Physicians, by the name of 'The Massachusetts Medical Society.'

As health is essentially necessary to the happiness of society; and as its preservation or recovery is closely connected with the knowledge of the animal economy, and of the properties and effects of medicines; and as the benefit of medical institutions, formed on liberal principles, and encouraged by the patronage of the law, is universally acknowledged,—

1. *Be it therefore enacted by the Senate and House of Representatives, in General Court assembled, and by the authority of the same, That Nathaniel Walker Appleton, William Baylies, Benjamin Curtis, Samuel Danforth, Aaron Dexter, Shirley Erving, John Frink, Joseph Gardner, Samuel Holton, Edward Augustus Holyoke, Ebenezer Hunt, Charles Jarvis, Thomas Kast, Giles Crouch Kellogg, John Lynn, James Lloyd, Joseph Orne, James Pecker, Oliver Prescott, Charles Pyncheon, Isaac Rand, Isaac Rand, Jun., Micajah Sawyer, John Sprague, Charles*

*Stockbridge, John Barnard Swett, Cotton Tufts, John Warren, Thomas Welsh, Joseph Whipple, and William Whiting*, be, and they hereby are, formed into, constituted, and made a body politic and corporate, by the name of 'THE MASSACHUSETTS MEDICAL SOCIETY;' and that they and their successors, and such other persons as shall be elected in the manner hereafter mentioned, shall be and continue a body politic and corporate, by the same name, forever.

2. *And be it enacted by the authority aforesaid,* That the fellows of said Society may, from time to time, elect a president, vice president, and secretary, with other officers, as they shall judge necessary and convenient; and they, the fellows of said society, shall have full power and authority, from time to time, to determine and establish the names, number and duty of their several officers, and the tenure or estate they shall respectively have in their offices; and also to authorize and empower their president, or some other officer, to administer such oaths to such officers as they, the fellows of said society, shall appoint and determine for the well ordering and good government of said society, provided the same be not repugnant to the laws of this commonwealth.

3. *And be it enacted by the authority aforesaid,* That the fellows of said society shall have one common seal, and power to break, change, and renew the same at their pleasure.

4. *And be it enacted by the authority aforesaid,* That they, the fellows of said society, may sue and be sued in all actions, real, personal, or mixed, and

prosecute and defend the same unto final judgment and execution, by the name of *The Massachusetts Medical Society*.

5. *And be it enacted by the authority aforesaid,* That the fellows of said society may, from time to time, elect such persons to be fellows thereof, as they shall judge proper; and that they, the fellows of said society, shall have power to suspend, expel, or disfranchise any fellows of said society.

6. *And be it enacted by the authority aforesaid,* That the fellows of said society shall have full power and authority to make and enact such rules and by-laws, for the better government of said society, as are not repugnant to the laws of this commonwealth; and to annex reasonable fines and penalties to the breach of them, not exceeding the sum of *twenty pounds*, to be sued for and recovered by said society, and to their own use, in any court of record within this commonwealth proper to try the same; and also to establish the time and manner of convening the fellows of said society; and also to determine the number of fellows that shall be present to constitute a meeting of said society; and also, that the number of said society, who are inhabitants of this commonwealth, shall not, at any one time, be more than seventy, nor less than ten; and that their meetings shall be held in the town of *Boston*, or such other place within this commonwealth as a majority of the members present, in a legal meeting, shall judge most fit and convenient.

*And whereas it is clearly of importance that a just discrimination should be made between such as are*

*duly educated and properly qualified for the duties of their profession, and those who may ignorantly and wickedly administer medicine, whereby the health and lives of many valuable individuals may be endangered, or perhaps lost to the community,—*

7. *Be it therefore enacted by the authority aforesaid,* That the president and fellows of said society, or such other of their officers or fellows as they shall appoint, shall have full power and authority to examine all candidates for the practice of physic and surgery (who shall offer themselves for examination) respecting their skill in their profession; and if, upon such examination, the said candidates shall be found skilled in their profession, and fitted for the practice of it, they shall receive the approbation of the society, in letters testimonial of such examination, under the seal of the said society, signed by the president, or such other person or persons as shall be appointed for that purpose.

8. *And be it further enacted by the authority aforesaid,* That if the said president, and such other person or persons so elected and appointed for the purpose of examining candidates as aforesaid, shall obstinately refuse to examine any candidate so offering himself for examination as aforesaid, each and every such person, so elected and appointed as aforesaid, shall be subject to a fine of *one hundred pounds*, to be recovered by the said candidate, and to his own use, in any court within this commonwealth proper to try the same.

9. *And be it further enacted by the authority aforesaid,* That the fellows of said society may, and shall

forever be deemed capable in law, of having, holding, and taking in fee simple, or any less estate by gift, grant, or devise, or otherwise, any land, tenement, or other estate, real or personal ; *provided*, that the annual income of the whole real estate that may be given, granted or devised to, or purchased by, the said society, shall not exceed the sum of *two hundred pounds*, and the annual income or interest of said personal estate shall not exceed the sum of *six hundred pounds* ; all the sums mentioned in this act to be valued in silver at *six shillings and eight pence* per ounce ; and the annual income or interest of the said real and personal estate, together with the fines and penalties paid to said society, or recovered by them, shall be appropriated to such purposes as are consistent with the end and design of the institution of said society, and as the fellows thereof shall determine.

10. *And be it further enacted*, That the first meeting of the said Medical Society shall be held in some convenient place in the town of *Boston* ; and that *Edward Augustus Holyoke*, Esq. be, and he hereby is, authorized and directed to fix the time for holding the said meeting, and to notify the same to the fellows of said Medical Society.

[This act passed November 1, 1781.]

AN ACT in addition to an Act passed in the year of our Lord one thousand seven hundred and eighty one, entitled 'An Act to incorporate certain Physicians, by the name of the Massachusetts Medical Society.'

Whereas some doubts have arisen with respect to the extent of the powers given to, and duties required of, the said society, by the act to which this is in addition, touching the examination of any candidates for the practice of physic and surgery, 'who shall offer themselves therefor, respecting their skill in their profession,' as well as with respect to the authority of the said society, to demand and receive a suitable compensation for their time, trouble, and expense, in examining candidates, and for the letters testimonial, which, by the said act, they are required to give to such as shall be approbated,—

For removing the said doubts,

1. *Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, That it shall be the duty of the said Massachusetts Medical Society, in order more effectually to answer the designs of their institution, from time to time to describe and point out such a medical instruction, or education, as they shall judge requisite for candidates for the practice of physic and surgery, previous to their examination before them, or their officers appointed for said purpose, respecting their skill in their profession, and shall cause the same to be published in three newspapers, in three different counties within this commonwealth; and every candidate, examined and approved by the president and fellows of the said society, or such of their*

officers or fellows as they shall appoint, shall be held to pay such reasonable fees of office as shall be established by the said society, for the examination of candidates, and letters testimonial in favor of such as shall be approbated; and the treasurer of the said society, for the time being, shall have full power and authority to sue for and recover the same, in any court proper to try the same.

2. *And be it further enacted*, That the eighth enacting clause of the said incorporating act, making the president, or such other person or persons as shall be elected for the purpose of examining candidates, each and every of them, subject to a fine of *one hundred pounds*, in case of obstinate refusal to examine any candidate offering himself therefor, be, and it is hereby repealed.

3. *And be it further enacted*, That from and after passing this act, whenever the officers appointed for examining candidates for the practice of physic and surgery, shall obstinately and unreasonably refuse to examine such as may apply therefor, respecting their skill in their profession, the officers so refusing, shall be subject to a fine not exceeding *one hundred pounds*, nor less than *twenty pounds*, to be sued for and recovered by the candidate injured, and to his own use, in any court within this commonwealth, proper to try the same.

[This act passed February 10, 1789.]

AN ACT in addition to an Act entitled, 'An Act to incorporate certain Physicians, by the name of The Massachusetts Medical Society.'

Whereas the Act entitled 'An Act to incorporate certain Physicians by the name of The Massachusetts Medical Society, has been found, in its operations, insufficient to effect the important and desirable purposes for which it was designed:

1. *Be it enacted by the Senate and House of Representatives, in General Court assembled, and by the authority of the same,* That the fellows, for the time being, of the said Massachusetts Medical Society, in any meeting or meetings, to be called and holden for the purpose, before the next annual meeting, shall have authority to elect into that corporation, and to be fellows thereof, such and so many suitable persons, being physicians or surgeons resident within this commonwealth, as they shall see fit; any thing in the act to which this is in addition, to the contrary notwithstanding. *Provided,* That all persons so elected, shall, within one year after such election, subscribe the by-laws of the said society, or otherwise declare, in writing, their assent thereto, or such election shall be void.

2. *And be it further enacted,* That at the next annual meeting of the fellows of said society, and afterwards at every annual meeting thereof, there shall be chosen by ballot, in which any absent member may vote by his proxy, duly authorized in writing, so many counsellors as the said society shall, from time to time, judge necessary and expedient, who shall hold their offices for the year next ensuing their elec-

tion, and until another election of counsellors in their place; and the fellows, at their annual meetings, whenever such a number shall be present as the regulations of the society may require, may revise, alter, enlarge, and repeal, the by-laws of the said society, as the major part of the fellows present may see fit, and not otherwise.

3. *And be it further enacted*, That the counsellors of the said corporation, and their successors after them, shall assemble and convene, three times in the year, at such times and places as the by-laws of the said corporation shall hereafter direct. *Provided*, That the first meeting be within thirty days after the annual meeting of the said society; and the said counsellors shall assemble and convene at any other time, as the by-laws of the said corporation shall hereafter direct, and whenever notified to convene by their presiding officer; and the meeting of the said counsellors shall be held in the town of Boston, or as near thereto as may be; and at the said first meeting of the counsellors, after the annual meeting of the said society, the said counsellors shall proceed to appoint, from among themselves, a president and such other officers of the said corporation, as are and shall be required in the rules and by-laws thereof to be so appointed; likewise five examiners or censors, for the examination of all persons, who, having been students in medicine and surgery, agreeably to the regulations of the said society, shall offer themselves to be approved and licensed, as practising physicians and surgeons; and the said counsellors, at any of the three stated meetings of the same, and only at these

meetings, and after three months nomination of every candidate, and not otherwise, by a major vote of those present, may elect any suitable person or persons, to be a fellow or fellows of the said society.—*Provided*, That all practising physicians and surgeons, resident within this commonwealth, who shall be so elected, shall, within one year after such election, subscribe the by-laws of the said society, or otherwise declare, in writing, their assent to the same, or such election shall be void. And all persons, not practising physicians or surgeons, or not resident within this commonwealth, who shall be so elected, may be deemed honorary members of the said society; and, at any meeting of the said counsellors, they may fill any vacant office, and perform any other duties, as the by-laws of the said corporation shall direct.

4. *And be it further enacted*, That, for the purpose of examining candidates as aforesaid, three, at least, of the examiners or censors, who shall be appointed as aforesaid, shall be convened in the town of Boston, on the Thursday next preceding the annual meetings of the said society, and at such other times and places as the by-laws of the said society shall direct; and every candidate, who, upon examination, shall be approved by a majority of the said examiners, shall be entitled to letters testimonial of their approbation, and of their license, to such candidate, to become a practitioner in medicine or surgery, under the hands of the examiners consenting thereto; and to such letters testimonial, the seal of the said corporation shall be affixed, by the president or secretary, if any there shall be, with the signature of the

same ; and every person who shall receive the said letters testimonial, and such also as hereafter may be admitted to the degree of bachelor of medicine at Harvard University,\* shall be entitled to the use of the libraries of the society, under such restrictions as the counsellors may direct ; and after three years approved practice in medicine and surgery, and being of good moral character, and not otherwise, shall, upon application, and subscribing the by-laws as aforesaid, be admitted a member of the said corporation, while a resident practitioner of medicine or surgery within this commonwealth.

5. *And be it further enacted,* That the said counsellors, upon the application of any five members of the said society, may establish within such districts and portions of this commonwealth as they shall think expedient, subordinate societies, and meetings, to consist of the fellows of the said corporation residing within such districts respectively, wherein the communication of cases and experiments may be made, and the diffusion of knowledge in medicine and surgery may be encouraged and promoted ; and the counsellors aforesaid, upon application from such subordinate societies, may appoint five examiners or censors, within such districts, who shall be authorized and empowered to examine such candidates for the practice of physic and surgery, as shall present themselves for such examination. And every candi-

date, who, upon examination, shall be approved by a majority of the examiners or censors aforesaid, shall be entitled to letters testimonial, in the same manner as is provided in the fourth section of this act. And the members of such subordinate societies shall be holden to report to the counsellors of the general society, all such cases as may be selected for their importance and utility ; and the said subordinate societies shall be subject to the regulations of the general society, in all matters wherein the general society shall be concerned ; and the said subordinate societies may appoint their own officers, and establish regulations for their particular government, not repugnant to the by-laws of the general society, and shall be capable to purchase, and receive by donation books, philosophical and chirurgical instruments, or other personal property, and may hold and dispose of the same, exclusive of any authority of the general society.

6. *And be it further enacted*, That all matters and clauses, contained in the act aforesaid, to incorporate certain physicians by the name of The Massachusetts Medical Society, which are contrary to the purview of this act, shall be, and they hereby are, repealed.

7. *And be it further enacted*, That the fellows of the said corporation shall not be liable to be enrolled or mustered in the militia of this commonwealth.

AN ACT in an addition to an Act, entitled, ‘An Act in addition to an Act, entitled, an Act to incorporate certain Physicians, by the name of The Massachusetts Medical Society.’

SECTION 1. *Be it enacted by the Senate and House of Representatives, in General Court assembled, and by the authority of the same,* That so much of the fourth section of an Act passed on the eighth day of March, in the year of our Lord one thousand eight hundred and three, entitled ‘An Act in addition to an Act, entitled an Act to incorporate certain Physicians, by the name of The Massachusetts Medical Society,’ as requires that those who are authorized to claim admission into said society, shall have first passed at least three years in approved practice of medicine and surgery, and so much of the same section as entitles licentiates of the said society and bachelors of medicine at Harvard University to the use of the libraries of the society, be and the same are hereby repealed; the residue of the said section remaining in full force.

SECTION 2. *Be it further enacted,* That the Treasurer, for the time being, of the said Massachusetts Medical Society is hereby authorized to sue in the name of the said society, in an action of debt, before any court proper to try the issue, for such sums of money as may hereafter become due to said society from any person being, or who has heretofore been, or who shall hereafter become a fellow thereof, for the annual or other assessments of said society, or for penalties accruing under and by virtue of the by-laws and votes of said society, by declaring gener-

ally, against the defendant, as indebted to said society for the penalty accruing from the breach of any by-law thereof, or for a sum becoming due by virtue of any legal vote of said society, (as the case may be,) setting forth the substance only of such by-law or vote ; and the said society shall thereupon recover judgment for so much debt or damage as they shall prove to be due, and no more.

[This act passed March 19, 1831.]

### CORRECTIONS.

Great labor and care have been used to make the list of Fellows accurate and complete. Still, there doubtless are errors, and there are many deficiencies; chiefly in regard to the age and time of death of deceased members. It is earnestly requested that information on these points may be communicated, free of expense, to either of the Secretaries, or to the committee on publications. The following corrections, with the exception of one typographical error, were received after the sheet to which they refer was printed. Some of them were corrected in a part of the edition.
